**The council** is soliciting bids for the custodian position for the fellowship hall, as Carol Dykshorn will not be continuing in this position. If you are interested in this position, please turn your bid into one of the deacons.

**The building committee** recently gave a progress report to the council with the assurance that progress is being made. The plan is to begin framing the education wing and sanctuary soon. They are waiting for some materials to arrive. Some more concrete will be poured and the structure will visibly begin to take shape. Thank you for your patience. The council wants to thank everyone for your generous giving and we pray for God‘s continued blessing on this project.

**Barnabas Foundation** will host a live stream 20 minute session “Gifts That Reduce Taxes” on Wednesday, November 11 at 11 AM. This event is free. Join to hear practical tips for giving in ways that increase their impact while reducing their costs and headaches. Please register in advance at the Barnabas Foundation website.
