From Pastor Greg and Kay: We thoroughly enjoyed the fellowship meals we hosted in February. A new month is here, so get ready for March Madness at the parsonage. There will be no watching of basketball games, but there will be lots of food, fun, fellowship and maybe some other games. There is a signup sheet in the fellowship hall. Please sign up if you would like to join us. We would love to have you come.

Please find in your mailbox a newsletter from Ruth Veltkamp.

The council is accepting bids for mowing of the New Holland cemetery. Please contact one of the deacons if you are interested.

From the Fundraising Committee: Thanks to your incredible generosity, we have successfully met our first matching gift of \$150,000. What a powerful testimony to this church family's faith and commitment. Now we are thrilled to share that another generous servant has stepped forward in faith with a **\$250,000 matching gift** towards our new church building! This means that **every dollar given will be matched dollar for dollar**, up to \$250,000. Your first opportunity to give towards this new challenge is today in the monthly offering for the New Building Fund and will remain open through Easter Sunday, April 5. We invite you to pray about how you might participate in this incredible opportunity as we move forward in faith. Thank you for your continued prayers, generosity and support. **Let's build on the momentum together and make every dollar count.** God Bless NHCRC! ~ Fundraising Committee Members: Lydia Niewenhuis, Brett Feenstra, Jackie Holleman, Sharon Hofstee, Brenda Veurink, Alvie Timmermans, Rudy Niewenhuis & Scott Veurink

The new church building committee met with the architect recently and decided we have to make a decision on the organ sooner rather than later in order to move forward with designs on the pulpit area. As a committee it is our recommendation to move forward without the organ. We based our decision on several factors: The age of the organ, lack of organists, as well as the costs just to remove, repair, and install it in the new church. The bid for removing and rebuilding along with minor repairs is \$110,000. To reconstruct the keyboard and pedals unit separate from the system is another \$20,000. And if needed, climate-controlled storage would be another \$1000. The council has stated that if money was given specifically for the organ to pay for all expenses, it would be kept. As a congregation our deadline for this decision is March 4. If you feel very strongly about this and have a money source for it, please contact anyone on the building committee: Dillon & Jamie Munneke, Doug Dykstra, Jason Lagge, Joel Muckey, Marty Overweg, Mike Zomer, Nova Steinhauser, Sarah BaanHofman, Trav Dyk, Myron Veurink, Dave VanderPol, Lee Niewenhuis.
